

**ATTORNEY'S DOCKET NO. TN 222/USYS-0083
AMENDMENT**

**SERIAL NO. 09/702,224
08/15/03**

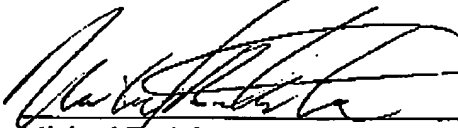

REMARKS

As per the Examiner's remarks, the above statement made in accordance with MPEP section 702(I) should place this Application in condition for allowance.

Claim 1 has been amended to resolve a previously undiscovered antecedent basis problem in that the word "application" has no preceding reference and was preceded by the definite article prior to this amendment. It is believed that this amendment should be acceptable as it does not change the claims in any substantive way.

The applicant respectfully requests this Application be allowed and passed to issue.

Respectfully submitted,
